

HB RTS Adapter Tray

For storage and transport of the Euro Dolly

Our Adapter Trays were developed to store and transport the Euro Dolly used for promotional displays. They can be moved along automatic conveyor belts and stored in warehouse racks.

No assembly required

Remain stable when stacked on a Euro pallet.

100% recyclable

Made of durable, wear-resistant plastic and 100% recyclable.

User-friendly

Easy to handle and stack due to their light weight and notched edges.

Standard dimensions

Fits all standardised Euro pallet systems.
