

# Block pallet

## The plastic block pallet or ISO pallet

Companies in France and the UK often use a block pallet, also referred to as an ISO pallet. The sturdy, high-quality pallet is easy to clean. It also perfectly exemplifies the principles of the circular economy. It offers a long service life, and is fully recyclable.

### ❖ Extra sturdy

Thanks to the heavy deckboards and chamfered joints between the blocks and deckboards.

### ❖ 100% recyclable

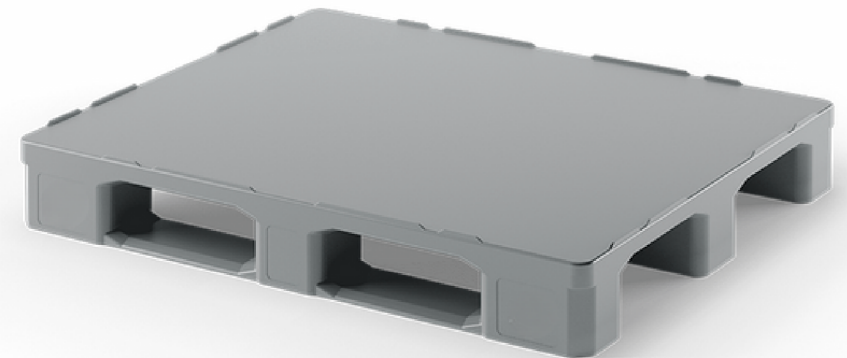

Made of durable, wear-resistant plastic and 100% recyclable.

### ❖ Food safety

Made of food-safe virgin HDPE.

### ❖ Easy to clean

Our automated process ensures fast and easy cleaning of our block pallets.
